Your dinette cushions are where you eat, work, lounge and often sleep, so the fabric you pick shapes how your van feels every day.

Every Big Bear cushion is cut to the exact size and shape of your benches, filled with high-density foam and finished with a removable cover. This guide walks you through our 8 fabric families and all 98 colors so you can choose with confidence.

1. **Pick a fabric** by feel and how you travel.
2. **Pick a color** and note its code, e.g. *CC-07*.
3. **Pick thickness and firmness** (page 12).
4. **Send us your codes.** We handle the rest.
